The Introduction Leader's Programme July 2019

This is a highly specialized, extensive and rigorous training programme that develops you to be a bold leader for Landmark: one who listens for and reliably delivers that which makes a real difference in what people are dealing with and what they really care about. In this programme you will go from leadership as a concept to an actuality in an environment designed specifically for this.

Prerequisite: Completion of The Landmark Forum, and either The Advanced Course or at least 1 (one) seminar AND attendance to an orientation.
