

## Landmark Introduction Leaders Programme Africa – August 2025

The Introduction Leaders Programme is a highly specialized, powerful and fun course that trains and develops you as a leader, and leaves you being a high performer in those areas that matter most to you, including making a difference in the lives of others. This unique programme includes individual and group coaching, weekend sessions, and invaluable practical training.

### Out of participating in The Introduction Leaders Programme, you will be:

Trained and developed to be a leader of Landmark, leaving you unleashed as a force of nature, making a profound difference in the world—forever altered in who you know yourself to be and what you are capable of everywhere in life.

### Promises of The Introduction Leaders Programme:

You will be trained to lead the Introduction to The Landmark Forum, causing a **personal transformation** that expresses itself as:

<b>Remarkable Contribution:</b> Knowing yourself as someone who makes a difference, leaving others empowered and in action fulfilling on what matters to them.	<b>Unprecedented Success, Power, and Effectiveness:</b> Being someone who makes things happen that weren't going to happen anyway – going beyond what you currently see is possible for yourself and your life.	<b>A New Kind of Leadership:</b> Being someone who leads the way in creating a new paradigm for what it means to be human.
